Dear diver,

We are pleased to announce our package rates for the season 2017 which starts on 28th February and ends on 6th November

Striving constantly to ensure the highest quality and service and to protect our marine environment, we're proud to be again #1 on [TripAdvisor](#) and to have been awarded the TripAdvisor Certificate of Excellence.

We thank you for your continuous support and are looking forward to welcoming you on beautiful Tioman Island.

Yours sincerely

Martin Ritter
Marketing/Sales Director

[“Everything is Awesome!!!”](#) (Reviewed March 2017)

Did my PADI Open Water and Advance Open Water here with my awesome instructor, Adeline. “Ok crazy kids, lets go”. That sentence will never get out of my head. It was a fun environment, not boring at all as we are also on holiday. It was a perfect set up, gain a new skills while having fun. They also have a nice bar that opens till late. The island itself is gorgeous. We saw a turtle in our first dive, so that really get me going crazy for the next dive where we saw bamboo shark!!!

[“Diving”](#) (Reviewed March 2017)

One of my absolute fun place I've been in Malaysia. Done not my first dive in my life but finish the two cert, and totally loved it the experience was nice my instructor was knowledgeable, strict and fun at the same time, all staff were awesome and very helpful. Uou just don't want to leave the place. Surely will come back again, to take more dives with the guys, even if you never done single dive in your life like me you get the feeling that your safe and you will enjoy your time with the team doesn't matter. Well done guys.

[“Quality accommodation - value for money”](#) (Reviewed October 2016)

Excellent cleanliness. Clean bedsheets, pillows, toilet and shower. No insects and mosquitoes in room. Daily housekeeping. Room is just next to dive shop - very convenient for divers. Just 3 mins walk from jetty, plenty of eatries and mini markets around. Place is well equipped. Water fountain to refill water, kettle to make tea and coffee, plenty of places to dry wet clothing, fridge and safe inside room, reliable electricity and water supply.

USEFUL INFORMATION

TIOMAN ISLAND:

- Tioman Island is the biggest and most impressive island on the east coast of Peninsular Malaysia. The island is some 35km long and covered densely in one of the oldest rain forests. It's just begging to be explored and is habitat for a large variety of flora and fauna.
- The main attractions on Tioman are scuba diving and snorkeling plus rainforest trekking
- Dive sites around the famous Coral Island are renowned for their healthy coral reefs and abundance of marine life. Travel distance to the dive sites from our centers is between 5min and 30min
- Diving season: 1st February until 10th November
- Best visibility (15m to 25m): March to June and September to November
 - Diving is still fantastic during the summer peak season (June - August), but the underwater visibility is usually reduced to approximately 8m to 15m
