BOAT DIVES

- B&J operates several dive boats (wooden boats and speedboats)

 - Morning dive trip including 2 boat dives (departs at 9am and returns to base at 1pm)
 - Single afternoon boat dive (departs at 3pm, returns at 5pm)
 - Night dives from shore or from the boat starting at 7pm

NIGHT DIVES

BUDDY SYSTEM AND DEPTH LIMITATIONS

- All dives must be with a buddy; no solo diving is allowed (exception for certified technical divers or solo-divers with appropriate education and equipment)

SURFACE INTERVALS

- For safety measures, a mandatory minimum 45 minutes surface interval is required before the next consecutive dive, regardless of whether divers are planning dives using a computer or tables

FLYING AFTER DIVING

FINAL DISCRETION

- B&J Diving Centre / Tioman Dive Resort reserves final discretion on who may or may not conduct any type of diving (based on a diver's experience, date of last dive, etc.)
- We reserve the right to stop a person from scuba diving if a diver is or becomes physically incapacitated by injuries, illness, intoxication, 'hangovers', etc.
- If a diver is risking his own health or that of others by showing unsafe or aggressive behavior we reserve the right to stop this person from diving

SPECIAL RULES TO PROTECT MARINE LIFE

- Divers and snorkelers are to refrain from touching, teasing, and restraining turtles or any other marine life under water because:
 - Turtles are air breathers and can be drowned if panicked or cornered. Anyone riding or restraining turtles will not be allowed to dive anymore
 - Any kind of marine life including corals are very fragile and we should protect our underwater environment and not destroy it
 - We follow the “Triple T Rule”: Don’t Touch, Don’t Tease, Don’t Take and leave only bubbles behind
 - We adhere a strict no glove policy
- Divers not following environmentally safe diving habits and/or harm marine life on purpose will be prevented from conducting further dives
